## Disclaimers & Warranty Policy

### Wait Times

We operate on a first come first serve basis, and our wait times reflect this. On occasion we will accept expedited jobs at our discretion. Expedited jobs will be up-charged at a rate equal to the amount of time reduced from our original wait time.

\*For example, if the standard wait is 4 weeks and we agree to complete your job in 2 weeks your quote will be increased by 50%.

### Conditions and Exclusions:

- We reserve the right to refuse any work. This includes but is not limited to: deactivation of safety features, any work on “Forced Reset” triggers of any kind, Personally Made Firearms or PMFs (Unserialized 80% lowers or frames), suppressor maintenance of any kind, or any illegally modified firearms unless the work performed restored the firearm to a legal configuration.
- If test-firing is required, it will be performed using factory ammunition. We *DO NOT* perform *TEST FIRES* with hand-loaded, steel-core, or military surplus ammunition
- Firearms not claimed within *30 DAYS* of customer notification will incur a *STORAGE FEE* of \$30/month
- All *CLASS III/NFA* firearms *MUST* be accompanied by a copy of the appropriate paperwork when dropped off

### Warranty:

We offer a 90-day policy on all of the labor performed by Scottsdale Gun Club. This covers normal use of a firearm only. It does not cover the use of reloads / handloads or accidental damage. In the event of part or parts failure we will reach out to the manufacturer for a replacement and offer a repair at a reduced rate.
